Public Comment-

No Public Comment

Cemetery Board Report - Theron Aldridge Chairperson

Mr. Lindsay has had the Ford truck out to be fixed by Madison Motors, which took months for the repair. Madison decided because of the length of time for the repairs, they would not be billing us for the time on the truck.

The cement work surrounding the Columbariums is finished by Williams and Sons, and the cost came in at $3000.00 less that was quoted at $13,600.00.

Mr. Lindsay reported the *work on foundations* has been going well since we took over doing them ourselves, and should be very profitable.

Zoning Inspector Report - Troy Thatcher Inspector

Mr. Thatcher passed out a report ending June 16th, 2026 to the Trustees, and went over it with all.

Mr. Thatcher mentioned the Zoning Board of Appeals will have a hearing on June 29th at 6pm to discuss 2 matters. One is for a structure building on Finefrock Road, and a business that wants to go into the church by Ballville Bridge on Tiffin Road.

Parks Board Report - Kerry Wood and Bill Lagrou

Mr. Wood discussed the progress made out at Chudzinski-Johannson Park, including them starting to erect the windmill for the pond.

Mr. Lagrou reported talking to a company in Toledo, about using chemicals in the pond that will allow wildlife to be able to use it also.

Road Superintendent Report - Bill Lagrou

Mr. Lagrou mentioned OTARMA is now offering monitoring of township employees of their driving records, to make sure they are legal to operate the vehicles. It is a free service offered to townships. Mr. Ackerman said he will look into the program and give an update on it.

Mr. Lagrou would be seeking MORE grant money to purchase a *blinking stop sign* to be used where Morrison Road meets Tiffin Road.

Trustee Comments -

Trustee Reser has forwarded a letter sent from Adam about the grants.

Trustee Kusmer reported the Sandusky County Regional Planning *did pass* the map amendment, for the changing of the zoning classification at US 6, and State Route 53.

Trustee Farmer N/A
